A dance will be held at Westcott school Friday, Feb. 25th.

Ramblers Fall One Goal Short In Great Comeback

Didsbury Ramblers waited just a bit too late in the same Monday night and the clock ran out on them when they dropped an 8-7 game to Red Deer Shamrocks.

The visitors, who we didn't expect to see at all because of the weather, seemed to have benefited from the wind and snow. They took an easy 4-0 lead in the first period, extended 7-1 by the end of the second and seemed like they were going to coast to one of those big scores we run into occasionally. By the time the score reached 8-2 there were a few of the fans heading for home. Those that did really missed something.

We don't know if the wind changed about then or not but Ramblers were certainly blowing in on the Shamrocks' goalie Washington (we call him George). In the space of 10 minutes the locals rapped six goals past the inept goalie and we firmly believe that a minute or so more would have seen a different endnote to the game as Red Deer was really on the run.

However the score stands, Red Deer 8, Didsbury 7.

Playing here Saturday night with Lacombe Rockets the local entry tallied a 5-4 win. The score stood at 2-1 for Didsbury at the end of the first, was extended to 4-2 at the fish of the sandwich session and Didsbury held on to win by the one goal margin.

There was a little fighting, a little roughing and 60 minutes of interesting hockey.

Farmers' Bonspiel Won By Gillrie

Another successful Farmers' bonspiel was held here Friday and Saturday with 16 rinks looking for the big prizes.

Ken Gillrie won the first event, assisted by B. Collinane, A. Hogg and T. Fox. Second event was won by a rink composed of Bruce Shiel, Bob DuPont, Joe Dick and Doug Gooding, while the third event was taken by Reg Nusi, E. Bartz, H. Gillrie and H. Hoesgood.

This event sponsored annually by the Didsbury Board of Trade and the usual Friday night banquet was well attended and thoroughly enjoyed by curlers and businessmen alike.

SPECIAL SERVICES AT MORAVIAN CHURCH

Special week-night services will be held at the Moravian church, March 1 to 4 at 8 p.m. and Sunday, March 6 at 11 a.m. and 2:30 p.m.

Guest speaker: The Rev. D. Emerson of Three Hills and special music with Don Kneeling at the piano.

Second week, March 7 to 11, at 8 p.m. Guest speaker: will be The Rev. H. Harker of Calgary.

How many "horses" would you like?

EVERY DRIVER HAS DIFFERENT REQUIREMENTS. Chevrolet, with three ultra-efficient new engines, offers the widest range in the entire industry. Powerglide — Synchro-Mesh or Overdrive in all models and with all horsepower. Whatever you want — commanding acceleration, thrifty town driving, effortless highway cruising, lowest initial cost, brilliant performance with minimum upkeep — you'll find it here in a valve-in-head engine built by the valve-in-head leader!

(Except "130" Station Wagon.)

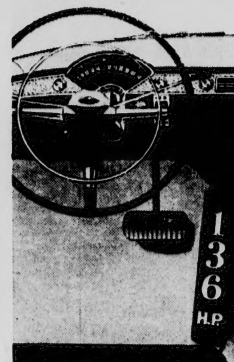

"Super Turbo-Fire V8" has all the advanced engineering features of Chevrolet's V8 design — but multiplied by the free-breathing of a dual exhaust system and a four-barrel carburetor. Optional at extra cost.

"Turbo-Fire V8" has an amazingly short piston stroke that cuts friction losses 'way down. Lighter, more compact than other V8's, with a superb new compression ratio of 8 to 1, and a better, surer 12-volt electrical system.

*Optional at extra cost.

The "Blue-Flame 136" with Powerglide* gives the ease of automatic shifting at lowest price — with Synchro-Mesh and Touch-Down Overdrive it sets new standards of six-cylinder valve-in-head efficiency. And hydraulic valve-lifters give super-quiet performance.

All with the style that's stealing the thunder from the high-priced cars

No matter which engine you choose, you get Chevrolet's sparkling new body design, the sleekest styling on the road. You get that commanding view through the Sweep-Sight windshield. You get a "big-car" way of going that stems from the flexing ease of Glide-Ride front suspension, the stability of Our-tiger rear springs. You get your pick of three modern drives, a full range of power assists... and you get all this with the savings of Canada's lowest-priced line of cars. Come drive a Chevrolet and discover the whole story!

United Church W.M.S. Meets

Delegates of Auxiliaries from Wetaskiwin to Carstairs and surrounding districts gathered at Lacombe, Friday, Feb. 11, for the annual meeting of the Red Deer Presbytery of the Women's Missionary Society of the United Church of Canada. Sessions were held in the United Church and two meals were served by the W. A. in the church hall.

Mrs. A. E. Eastes of Ponoka—president of Presbytery warmly welcomed the delegates and members, reminding them that they are a part of the most influential woman's organization in Canada. Namely the W. M. S. of the United Church who raised over \$1,000,000 per year for missionary work both at home and abroad.

Mrs. Dickau of Bentley presented the 1954 allocation and explained the G. B. A. project, at which time \$184 was voted for Scholarships, or cars for Canada, as a Gift for Building Advance.

Following the dinner hour Mrs. Cull of Lacombe gave the address of welcome, which was responded to by Mrs. R. Clarke of Didsbury, and Mrs. Walter Recknagle of Wetaskiwin brought greetings from the W.A. Presbytery.

The afternoon session opened with worship, led by Mrs. Atkinson and Mrs. Lucas of Wetaskiwin. Following which the 14 secretaries for the various branches of the work presented their reports under the able chairmanship of the President, Mrs. Eastes. Her own report of her year's work being both interesting and inspiring. The treasurer Mrs. P. O. Suter of Red Deer reported a total sum of \$4,084.41 sent to the Branch Treasurer, an increase of \$388.41 over last year.

Two free will offerings were dedicated during the hour. "In Memoriam" message was brought by Mrs. L. Purcell of Red Deer and a short obituary read of each member who had passed away during the last year. Two beautiful solos were rendered by Mrs. Atkinson of Wetaskiwin and Mrs. John MacDonald of Lacombe.

Mrs. W. M. East of Wetaskiwin brought in the new slate of officers and they were duly installed by Rev. Allen Duncan of Lacombe. All officers serve for a 3 year period and were installed as follows:

President, Mrs. A. E. Eastes of Ponoka; 1st Vice President, Mrs. L. Purcell of Red Deer; Treasurer, Mrs. P. O. Suter of Red Deer; Mission Circles Sec't, Mrs. R. Long of Didsbury; Press Sec't, Mrs. Reid Clarke.

DIDSBURY — ALBERTA

Through The Study Window

By REV. C. C. ARMSTRONG

To-day is Ash Wednesday, the first day of Lent. The traditional observance of this season is one of self-denial, of fasting and spiritual preparation for Holy Week. Within the churches, special preparations are going forward in the musical department; in classes on church membership, and in other ways where individuals engage in Bible readings and private devotional exercises. While the Roman communion has much stricter rules than most, it is by no means the only one that emphasizes this particular season in the Christian calendar.

Unfortunately, much of the thought concerning self-denial is seasonal rather than prevailing through the year. It is quite true that much of life is governed by seasons, and that these seasons change. Naturally then there can be times when giving special emphasis to the practice of abstinence from food or drink or amusement. But if this is just a temporary recess or hulk of what lasting value is it? Especially in a world where so many seek for life by the simple method of acquiring more and more material things or seeking for bigger and more lasting thrills and amusements.

Back of the restless seething material things and for exciting pleasure there lurks the shadow of fear and pessimism. "Eat, drink and be merry" is not the root of the matter. We are afraid that on the trail of our earthly pilgrimage will not be sufficiently long to give us the things really last, so we seize hold upon the passing things that may not last but the fundamental meaning of the Lenten season is to relax our grip upon those things that moth and rust corrupt, in order that we may take a fresh grip upon the things that are really worth-while and lasting. It is not meant to be simply a time when we journey from fear and pessimism and self-seeking to another spiritual climate where there is faith hope and self-giving.

In this "sermonette" I would ask you to think about the things to be found or discovered through Lent, rather than to simply decide to give up something. I believe that the Lenten season within the church should be above all else a time of helpfulness, of spiritual fulfillment. But only those who give up something can have something and only those who seek will find.

Mt. View W.I. Supports Campaign Against Cancer

Mrs. O. Sorenson kindly entertained the regular meeting of the Mount View W. I. in place of Mrs. Hampe on Feb. 16. The meeting opened in the usual manner and two songs were sung.

Roll call was answered by 12 members each bringing 6 fancy cookies to be divided and sent to children that are shut-ins, there were also 11 visitors present.

Correspondence was read which consisted of a letter from Mrs. Smith thanking the W. I. for the donation of \$10 to the A. W. I. fund. A donation of \$5 was also sent to Mr. McPhail.

Motion was made we again canvas for the Cancer Crusade Society and ask for the same amount of supplies as last year.

The prizes from Fairfields was received which consisted of 3 satin comforters and two satin bound fairface blankets instead of the coat we won. Motion was made Mrs. A. Gebers each set one satin comforter for their work. The girls club was given one of the satin bound blankets and the two remaining articles to be sold.

Mrs. Gebers was to collect 30 articles and distribute among members to sew for the Red Cross.

Mrs. Chas. Snyder was nominated at a special meeting held at Mrs. A. Gebers Feb. 2 to go as a delegate to the cancer workshop. An A. W. I. ring is also to be ordered for Mrs. Max Wood who has been a member over 30 years.

A panel discussion on poultry and turkeys was led by Mrs. E. Stiles and clippings were read and worth knowing were read by different members.

The bit of fun draw the lady at four right was won by Mrs. Stiles. Mrs. Stiles moved the meeting be adjourned and God Save The Queen followed.

The ten cent draw netted \$2.40 and was won by Mrs. Chas. Snyder. Mrs. Sorenson then served a delicious lunch. Mrs. Gebers in behalf of the president and members of the Mountain View W. I. thanked Mrs. Sorenson for her hospitality and presented her with a Golden Jubilee calendar from the W. I.

BILLY MOSIENKO. Chicago Black Hawks star for the last 14 years is being waived out of the National Hockey League. NHL Central Registry confirmed that waivers have been asked on both Mosie and Jack Evans of the Rangers.

DISTRICT NEWS

In The Legislature

By DONALD F. SMITH

EDMONTON — There were no real surprises in the Speech from the Throne read by Hon. J. J. Bowen, lieutenant-governor of Alberta, last week at opening ceremonies of the third session of the 12th Alberta legislature.

From the time he entered the front door of the legislative buildings, inspected a Canadian navy guard of honor, walked with Premier Manning to the assembly chamber and read the speech, less than an hour elapsed.

An outline of some of the legislation the government proposes to introduce in coming weeks of the session, the throne speech contained plans to increase to education, public health and new homesteads, and pour more money into public health, highways and public works.

Absence of any mention of farm market legislation was disappointing to those who fully expected it to be brought up at this session. However, it still may be introduced as it is understood considerable time is being devoted to it behind the closed doors of the Social Credit members' caucus.

In connection with homesteading, the throne speech noted continued heavy demand for homestead lands and the government, to encourage further development, plans to provide loans to help pay costs of land clearing and breaking. The loans will be brought about by amendments to the Public Lands Act.

Taxpayers should feel direct effects of proposed major increases to grants made to school boards for operation. A major portion of the increase is to be earmarked for school tax reduction subsidies.

The government also plans to increase the capital grants made for new school construction and the indication is a fund, similar to the revolving funds now existing for municipal and rural electrification borrowings, will be established for school board borrowings.

This apparently is the government's answer this year to the municipalities' requests for more financial aid. They had requested the doubling of unconditional grants under the Municipal Assistance Act but no mention is made of increases to the grants.

As suggested earlier by Highways Minister Gordon E. Taylor, money will be made to municipalities and local improvement districts on the basis of need for financing district highways and local roads.

The government's official announcement of plans to enter a voluntary pre-paid medical services in the province in a three-year program, and expansion and explanation of how this will take place probably will be given later by Health Minister Dr. W. W. Cross.

Unofficial reports indicate the government will enter an agreement with Medical Services (Alberta) Incorporated under which provincial funds will be used to subsidize premiums issued to Albertans by the private, non-profit organization.

It had been expected the government would bring in legislation to correct difficulties in the registering of land titles, particularly with reference to mineral rights. The throne speech says the matter still is being studied and interim legislation, "to protect the equities of interested parties," will be introduced.

After the opening-day formalities, the legislature moved into consideration of the throne speech. The second day saw J. E. Clark, S.C. Stettler, move to the speech, and Lee Leavitt, S.C. Banff, second it, in speeches supporting the government's planned program of legislation.

Opposition members were to begin summing up their feelings about this week, with J. Harper Prowse, Liberal, Edmonton, leader of the opposition, leading off on Monday.

As in the past few years, it appears the major items of the session will involve the spending of revenues the government is reaping from natural resources.

M.V.B.C. NEWS

(From Our Own Correspondent)

The busy weekend is over. The student council, under the leadership of Alfred Dietz, who is president, made all preparations for the entertainment of some 70 young people was efficiently arranged. This was a great task and during the three days some 700 meals were served here. The Youth Fellowship of the United Missionary church is a great organization and its young people are school-minded. We expect many of them will soon be students in this college.

Rev. Kenneth Geiger was the guest speaker at several chapel services last week. We enjoyed hearing this great preacher from Indiana. He is the district superintendent of the Indiana Conference of the United Missionary church and is particularly capable of ministering to the needs of youth.

Miss Audrey Wright was a guest of Miss Eby during the weekend. Miss Wright is doing chaplaincy work in the Archer Memorial hospital at Lamont, Alberta. This is a hospital under the auspices of the United Church in Canada and is a training school for nurses. She is also a graduate of one of the United Missionary church colleges, Emmanuel Bible College, Kitchener, Ont.

The College Day over the conference resulted in fine services and added support in a financial way to the college. Every student and faculty member had a part in this deputization work for the college. The weather was most favorable and the increased interest in the college and its activities was greatly emphasized at this time. We believe that the student body of the college will be substantially increased in the coming year. It is of interest that 27 members enrolled as members of the Living Endowment League. This brings the number to 187. Our objective is 300 members. You could add your name to the list.

Mrs. M. A. Finlay attended the Rally of Youth Fellowship while she visited with her daughter, Mrs. D. M. Taylor and family during the weekend. The board of directors of Mountain View Bible College held their annual meeting last Thursday. All but two members were present. Reports of the faculty and staff were given, and much business was done. Rev. D. C. Eby is again chairman of the board. The present faculty and staff were re-engaged for the coming year. It was a privilege to have these interested men and women on the campus and in chapel at this time.

LENTEN SERVICES PLANNED AT REDEEMER LUTHERAN

For hundreds of years the Christian church has set aside the six weeks before Easter and designated them the "Lenten" season. The purpose of this special season is to afford believers a special opportunity for meditation upon the stupendous price of their redemption: the suffering and death of Jesus Christ in their behalf.

In recent years the Lenten season has taken on a supplementary emphasis. Many Christian churches are using this season to bring the central fact of the Christian faith — the death of the Son of God for the sins of the world — to the attention of the unchurched residents of their community.

The message of Lent is to Christianity what a spring is to a watch, what a motor is to a car. Take the message of substitutionary death of Christ out of the Christian religion and you have a worthless shell.

The message of Lent is still the message of Paul: "Christ died for our sins according to the Scriptures." "Christ hath redeemed us from the curse of the Law, being made a curse for us." "He His own self bore our sins in His own body on the Cross."

During these weeks thousands of churches throughout the nation are bringing this fundamental Bible fact into sharp focus, not only for the benefits of those who are already in the membership but also for those who have not yet come to a personal faith in the Christian Gospel.

Redeemer Lutheran church will again this year, as in the past, conduct regular mid-week Lenten services, beginning on Ash Wednesday, Feb. 23 and continuing through, every Wednesday till Good Friday, April 8. These services on Wednesday evenings will begin at 8 p.m. Rev. E. B. Fox has chosen as his general theme for this series of sermons the title: "Prayers in the Passion Story."

ENGAGEMENT ANNOUNCEMENT
